AMA Charter #128

The Western Soaring Capital

President's Message

by Larry Jolly

There is a lot going on with the club and I want to encourage all of you that can make it to come to the August meeting this Tuesday night August 1, at 7:30. The meeting is held at the Irvine Water District Building at 15600 Sand Canyon. We will be discussing Electric Flying at the field, our continuing discussions with the City of Costa Mesa, and we will have Merrill Farmer discussing his company's products. I would like to encourage you to bring a slowflyer with you if you have one. I plan to get to the meeting early and get some flying in.

F3J World Champs

Congratulations are in order for both the F3J Senior and Junior Teams. The Seniors were Gold medal winners in Greece and the Juniors took Silver. Harbor members in attendance were Ben Clerx T.M., Larry Jolly, John Roe, Chris Jolly, Mark Taylor, Mark Navarre, and Junior T.M. JOE Rodriguez. It was a great team and the whole US team behaved and showed the world what Americans are all about. Great Job guys for a job well done.

Next Contest

Larry Jolly will CD the August contest Sunday, August 6. We will be flying 3 rounds of 10 minute duration, with standard 25 foot tapes scored 900-100.

Newsletter

by Larry Jolly

I am really happy that John Brown has taken over the thankless duty of newsletter editor. We do have a problem, the newsletter will only be as good as we make it. John will print anything he receives but doesn't have the time or energy to make-up a newsletter each month if he doesn't get anything to print. So what I am asking is for you guys to get on board and become part of the solution instead of the problem. Make a point of getting something to him to print.

Fall Soaring Festival-Oct 7,8

This is one of the best contests around. If you want to go, you must get your entry postmarked exactly on August 1st (not earlier, not much later). You can get the entry form and more info at:
