Coming Events  
 March 2026

- Due to the rain in Dec, the field is quite wet & the vernal pools are full of water. Mat predicts no flying until maybe March.
- Our next meeting will be Tuesday Mar 10, and **there are 2 airplanes to be raffled!**

**Meeting Location**

We hold our meetings at First Team Real Estate, 10072 Adams (at Brookhurst), Huntington Beach, in the Stater Bros shopping center. I will arrive with pizzas & Coors Light; I ask for \$5 for pizza and \$5 for beer. There's lots of room, so c'mon down!

**T-Shirts**

Erv Szego has made inquiries about getting new T-shirts made up with the club logo on the back. We need to get commitments for at least 50; cost will be \$12. The logo will be in three colors on the back of the shirt. Please let Mat or Mike know how many you'd like!

**Boy Scouts at OCMA**

On Saturday Feb 7, we and OCMA again hosted several Boy Scouts working on their aviation merit badges. We had numerous buddy box setups with Apprentice type trainers, flight simulators, and more to show them how airplanes work. Each Scout had about 4 opportunities to fly, and by the end of the day, one was able to do an entire flight & landing unassisted! Joni & Randy cooked lunch for everyone; thanks! OCMA said they will try to repeat this activity later this year. I'm sure your help would be welcome!

**Victoria Elementary STEM**

Also on Saturday Feb 7, we exhibited at Victoria Elementary's Pancake Breakfast. Sorry, no photos, as Scott Smith & I were too busy cranking out FPG-9 gliders.

**February Flying Days**

The field was still too wet from January's rain, so no flying!

**Upcoming Events**

Feb 28: Indoor flying at Laborers Local 652, 1532 E Chestnut Ave, Santa Ana

Mar 18 Rea Elementary School STEM, 661 Hamilton, Costa Mesa 5:00-6:00

There are more STEM events coming up; watch for email announcements.

## OCMA Humor

I went back to OCMA on Jan 31 to see what goodies I might be able to pick up; one of their long-term members had aged out of the hobby and donated his collection of RC stuff; I was able to get an 8' tailless powered glider, a T-28 with retracts, a 3D printed P-38, and a set of floats. One plane I did not bring home was this dyslexic T-28/F-82.

## The TRUST Test and FAA Registration

TRUST is The Recreational UAS Safety Test. It provides education and testing for recreational flyers on important safety and regulatory information. If you fly your drone recreationally under the [Exception for Recreational Flyers](#) you must pass the test before you fly. To take the test, go to <http://trust.modelaircraft.org>. This is the AMA Site. Take the test (Don't worry, it is fail proof) then obtain your "Completion Certificate."

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

## HSS Membership

Our 2026 HSS membership enrollment season is running full speed. Note that annual membership dues is now reduced to \$15. The latest membership application is included in the last pages of this newsletter. This can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at [www.harborsoaringsociety.org](http://www.harborsoaringsociety.org). Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site [www.modelaircraft.org](http://www.modelaircraft.org), download

document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined.

### **HSS Club Decals**

We now have decals / vinyl stickers with the HSS logo available. There are 3" diameter and would look great on your planes or in the back window of your car. Come to the meeting to get one or several. These cost the club \$1.20 each, so please donate to the treasury if you want more than one.

### Free Plane Rap Copies

Rob Askegaard has free near new color copies of HSS Plane Rap newsletters from 2005 through 2017 that he would like to give away. Contact Rob at the monthly meetings or 714-873-7710. [rmaskgrd@gmail.com](mailto:rmaskgrd@gmail.com).

### Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us, I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Mike Costello - Plane Rap Editor - [mikeftre@gmail.com](mailto:mikeftre@gmail.com).

### Photos of Your Planes

John Rittenhouse has become the club photographer, with Mike Costello as a backup. This is your newsletter, so if you want to see your models featured, or photos of something that interests you, please send to the newsletter editor.
