THE PRESIDENTS CORNER

The HSS SC² contest is now over and all went well. We could have had more enteries, but like I explained at our last meeting- because of the mix-up of the dates we may have lost a few because of it. Thanks again to all of the working members- they are the ones that make a go of a contest.

Frank was CD for Aug. and had a different kind of contest. He gave us a choice of what task each wanted to fly and after the three rounds we could have a re-fly of one of them. I got a few extra points on my re-flight which was just enough to finish a place ahead of T.R. who usually does that to me month after month. It was an interesting day and even with the extra flights we finished about the usual time. The final results will appear in this issue.

Also Scott and Phil returned home from the big War in Louisiana in time for Sundays contest. Congratulations to both of you for the fine showing at the NATS, our club can be proud of you.

Tom Jones is the CD for Sept. and has promised another good one. We will see what he comes up with. But before that the LSF on Sat.&Sun AUG 26 & 27

We will have films for the Sept. meeting--Jim Andrews apologized for his projector acting up at the last meeting(as if it was his fault) We should have the AMA films if things are on schedule.

You won't get any more points--but come to the meeting anyway.

GORDEN
