Coming Events

July 2026

- Flying days Sat July 18 & 25
- Our next meeting will be **Wednesday July 15.**

NOTE NEW FLYING & MEETING DATES!!

Meeting Location

We hold our meetings at First Team Real Estate, 10072 Adams (at Brookhurst), Huntington Beach, in the Stater Bros shopping center. I will arrive with pizzas & beverages; I ask for \$5 for pizza and \$5 for beer. There's lots of room, so c'mon down!

T-Shirts

Erv Szego has made inquiries about getting new T-shirts made up with the club logo on the back. We need to get commitments for at least 50; cost will be \$12. The logo will be in three colors on the back of the shirt. Please let Mat or Mike know how many you'd like!

Different Days

Why the different days for flying and meeting? Flying can't be on July 4 because the city can't pay holiday rates for the worker to oversee us. There's a Concert in the Park every Tuesday in July, and Mat is now on the board of that group, so this month only, the meeting is on Wed.

Ted Broberg

At our Fairview Park flying field, on June 20, we held a celebration of life for our long-time member, Ted Broberg. He was a great builder, generous instructor, and all-around good guy, and we will miss him.

Lions Club Fish Fry

HSS once again had a booth at the Lions Club Fish Fry. We had a good response to the folks who visited with us. We had 2 flight sims up & running, 3x5 index card gliders, FPG-9 foam plate gliders, and candy to keep kids happy. The point of us being there is to let the community know about us and welcome them to come fly with us, and many families advised we'd be seeing them at the field.

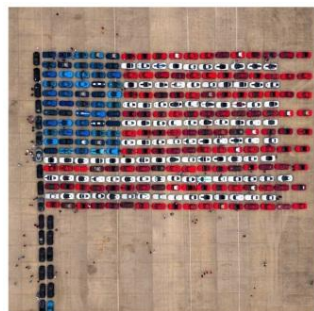

June Flying Days

June 6 and 20 gave us great flying! We had the usual June Gloom early overcast, but the sun came out about noon, with early crosswinds. Plenty of lift, though. Please come out and fly with us!

Happy 4th of July! America's 250th

Yes, That's An American Flag
Made from 295 Corvettes

Mike awarded himself "Best Shirt of the Day"

Songs in the Canyon

On Saturday, June 13, HSS had a booth at a Costa Mesa event, Songs in the Canyon. This was at a park I didn't know existed, despite living less than a block from this canyon in the 1970s. Maybe it wasn't a park at that time? We had solar-powered flight sims, 3x5 gliders, and answered questions. C'mon out next year!

The TRUST Test and FAA Registration

TRUST is The Recreational UAS Safety Test. It provides education and testing for recreational flyers on important safety and regulatory information. If you fly your drone recreationally under the [Exception for Recreational Flyers](#) you must pass the test before you fly. To take the test, go to <http://trust.modelaircraft.org>. This is the AMA Site. Take the test (Don't worry, it is fail proof) then obtain your "Completion Certificate."

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers." They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

HSS Membership

Our 2026 HSS membership enrollment season is running full speed. Note that annual membership dues is now reduced to \$15. The latest membership application is included in the last pages of this newsletter. This can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at www.harborsoaringsociety.org. Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site www.modelaircraft.org, download document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined.

HSS Club Decals

We now have decals / vinyl stickers with the HSS logo available. There are 3" diameter and would look great on your planes or in the back window of your car. Come to the meeting to get one or several. These cost the club \$1.20 each, so please donate to the treasury if you want more than one.

The monthly HSS Steering Committee meeting is held from 6 to 7 PM just prior to the General Meeting.

Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us, I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Mike Costello - Plane Rap Editor - mikeftre@gmail.com.

Photos of Your Planes

John Rittenhouse has become the club photographer, with Mike Costello as a backup. This is your newsletter, so if you want to see your models featured, or photos of something that interests you, please send to the newsletter editor.
