NEWSLETTER SUBMISSIONS

The Harbor Soaring Society newsletter is published monthly. Editorial comments and articles are welcomed. Please provide all material for consideration by the 15th. of the month prior to publication. Wordprocessed material is appreciated (any major IBM compatible disk format and program). Handwritten material must be clear and legible. The editor reserves the right to edit all material. Submissions should be made to Pete Young in person or by mail to: 6592 Belgrave Ave., Garden Grove, CA 92645.

MEETING LOCATION

Hobby Shack Retail Store, Bandilier Circle, Fountain Valley. The meeting will be held in the back storeroom of the store.

PRESIDENT'S MESSAGE

Hello again, heat seekers! At this point, fall weather will be welcome on our field. I for one am ready for cooler temps but not the shorter flying days.

Please remember that nominations are now open for HSS' 1995 club officers - names can be submitted at the October club meeting, with elections scheduled for the November club meeting. Give some serious thought to supporting HSS by serving a term - a strong Board is essential for HSS' continued soaring activities in 1995.

As we found out on recent Saturdays, Fairview Park will be periodically used by collegiate cross-country runners. On these days Fairview Park will not be usable for winch flying. The scheduled days for future cross-country meets are October 12th (Wed) and November 5th (Sat). We'll work with the Parks Department to keep you updated of these and any other planned events at Fairview.

Our club winch is now residing in my shop, one minute from the field. It is available anytime to any HSS member. Let me have at least

PRESIDENT'S MESSAGE, cont.

12 hours notice, and the winch and retriever equipment will be ready to go.

Check out the dirty picture on page 11, compliments of the folks at DUST. Too much time in the desert sun for those boys!

- Steve Fink

SEPTEMBER MONTHLY MEETING

The September meeting was called to order by Steve Fink. The Minutes and Treasurer's reports were accepted as read. Ross Thomas noted the poor turnout for the August monthly (which resulted in cancellation and an impromptu hand tow contest). The Visalia Fall Festival, however, will be quite well attended.

Mike Aguirre reported that HSS is second to the Torrey Pines Gulls in SC2 standings with a 20 point margin.

Old Business

The grade school demonstration and field safety signs were brought up - action to be taken by the Board.

New Business

Steve was contacted by the Orange County Assn of Model Clubs regarding future plans for the Brea-Olinda landfill. The power fliers from Mile Square Park were looking to use the site as an alternative flying field. Apparently the landfill has been designated as a future RC glider site, with areas for slope and winch flying, and grass landing areas. Look for it in 2003.

Mike Aguirre won the 2 day SULA Summer Soaring

Festival. Well done, Mike.

Steve provided various (weak) excuses for his recent absence at the field.

Pete Young will be stepping down as Newsletter Editor after years of selfless service... volunteers requested.

Steve reported on weekly RC sailboating at Josh Slocum's in Newport Beach every Thursday night at 6:00 PM - there's one excuse!

Pete mentioned the Recycler as a source for used RC gear at affordable prices. Pick one up at a local convenience store.

Sean Monahan reported that the "Top Gun" flight simulators in Lake Forest were really fun. Don't forget to bring money.

Chris Cabaj won the \$25.00 Hobby Shack gift certificate in the monthly raffle.

Erik Marcussen, Secretary

FYI

... SC2 recap: with three tournaments to go, TPG has edged ahead of HSS in season points standings by a narrow margin ... seen at the field: Larry Tuohino's good-flying electric Astro 25 powered Graupner ASW scale ship, Rick Briggs' 2M Spectrum from Ed Slegers, Gordon Ritschke's Whisper 95 beautifully refurbished by Dick Panzer ... feedback from the '94 Nats - total entry in Handlaunch, 2M, Standard, and Unlimited in the mid 20s (!) ... HSSers in the news: Roger Lackey and Mike Aguirre in Daryl Perkins'

SEPTEMBER MONTHLY

CD's Dave Nemecek and Pete Young ran a fast-moving Monthly under favorable and moderate weather conditions. Tasking was a mandatory 4 minute first round, with a pilots' choice 4 or 8 minute task for rounds two and three. Excellent thermal activity appeared over the dirt mounds with some real boomers taking models to very high altitudes under gorgeous cirrus cloud conditions.

In the Classics event, Ross Thomas took first with his 3M Gnome, with Pete Young close behind flying Jerry Briggs 100" Gnome. In 2 Meter, Mike Aguirre won with his Agnew Banshee, followed by Roger Lackey (Banshee) and Ross Thomas (2M Shadow). In Expert, Rick Briggs won Sportsman with an excellent score, and Pete Young took Advanced. In the Expert category, Mike Aguirre won with his Mako, with Roger Lackey and Tom Vincent completing a Mako "hat trick."

Thanks to Maxine Thomas for scoring and registration, and to Ross Thomas, Al Cron, and other HSSers for supplying launch equipment and helping on the field.
