Event: **Scale Competition Workshop or 1 Day Scale** event, theme to be determined

Date: October 18 - Saturday

Event: **Uncontest:** Come on out and fly a scale routine and have some fun.

Date: November 8 - Saturday

Event: **OCMA Annual Toy Drive**

Date: December 6 - Saturday Hand delivered 2026 renewals and applications will be accepted BBQ

T-Shirts

Erv Szego has made inquiries about getting new T-shirts made up with the club logo on the back. We need to get commitments for at least 50; cost will be \$12. The logo will be in three colors on the back of the shirt. Please let Mat or Mike know how many you'd like!

Greg Stone for AMA Pres!

Our current District 10 Vice-President, Greg Stone is on the upcoming ballot for AMA President 2026. The voting ballots will come out late August and early September. Greg is asking for your vote. Don't forget to vote, we need more leaders like Greg Stone who has given our club the support we needed. Now it's our time to vote for Greg.

Windfree

As many of you know, I have enjoyed flying a Windfree for the past several months, and I have heard many comments that you'd like to have one for your own. Well, unless you are lucky enough, as I was, to spot one hiding in your friend's warehouse (that was actually built by Mark Smith himself!), you'll just have to build it yourself. Plans can be downloaded for free from Outerzone https://outerzone.co.uk/plan_details.asp?ID=1637 or you can buy a kit from KitCutters for \$108 <https://kitcutters.com/product/windfree-sailplane/>. Dean Peiten has bought a different kit from them and is very pleased with its quality. SkyBench.com also shows a kit on their website, but it isn't in production.

UPDATE: FAIRVIEW PARK MASTER PLAN DRAFT

Dear Fairview Park Master Plan email subscribers,

Thank you for your interest and participation in the City of Costa Mesa's Fairview Park Master Plan Update.

As you know, the City of Costa Mesa has been working with the consulting firm MIG for a number of years preparing and updating the Fairview Park Master Plan. The Master Plan was originally adopted in 1998 and was last revised in 2008. The Master Plan provides a framework to guide the improvement, restoration, public use, and management of Fairview Park's unique assets and open space recreational amenities within existing environmental and cultural constraints. The Master Plan also serves as a management tool for sustainable park maintenance protocols and educational opportunities to the community.

Due to the size of the document, the age of the old Master Plan, and the volume of graphic and text material, this review and editing process entails extensive coordination between staff and the consultant team to produce a publish-ready draft. The consultant team is currently in the process of addressing final revisions and we anticipate releasing the Master Plan draft the week of September 29, 2025. Once released, the Master Plan Draft will be available for public review for a minimum of 30 days.

We know that the community is eager to begin reviewing the Fairview Park Master Plan Draft documents and we appreciate your patience as we work with the consultant team to finalize the document. The City has tentatively scheduled the Master Plan Draft to be discussed at the November 18, 2025 City Council meeting.

To learn more about Fairview Park and the Master Plan Update, and to view the technical reports completed as part of the Master Plan Update, please visit our website at: www.costamesaca.gov/fvpmp. We also encourage you to subscribe to the City's social media channels to hear about updates to this project and other City activities.

Kelly Dalton
Fairview Park Administrator
Parks and Community Services Department
City of Costa Mesa

The city will schedule discussion at city council, PACS, Fairview Park Steering Committee meetings. Please read the Master Plan when it is released and submit comments, either via email or by attending a meeting in person or via Zoom. Our future depends on it!

September Flying Days

We enjoyed flying at Fairview Park on September 6 and 20. The weather both days was the new standard: somewhat windy, with a crosswind component early, gradually shifting to right down the runway later in the day. We had numerous students flying, and we enticed several passers-by into giving it a go. Great flying! Please come join us.

Eastbluff Elementary School STEM Event

On Thursday Sept 25, HSS again displayed at Eastbluff's annual STEM event. We made numerous FPG-9 foam plate gliders, held a raffle for an AMA Beta glider, and had flight sims available. Members participating were Mat Garcia, John Rittenhouse, Henry Smith III, Scott Smith, and Mike Costello.

The TRUST Test and FAA Registration

TRUST is The Recreational UAS Safety Test. It provides education and testing for recreational flyers on important safety and regulatory information. If you fly your drone recreationally under the [Exception for Recreational Flyers](#) you must pass the test before you fly. To take the test, go to <http://trust.modelaircraft.org>. This is the AMA Site. Take the test (Don't worry, it is fail proof) then obtain your "Completion Certificate."

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

HSS Membership

Our 2024 HSS membership enrollment season is running full speed. Note that annual membership dues is now reduced to \$15. The latest membership application is included in the last pages of this newsletter. This can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at www.harborsoaringsociety.org. Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site www.modelaircraft.org, download document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined. And, don't forget your City of Costa Mesa Flying Permit.

HSS Club Decals

We now have decals / vinyl stickers with the HSS logo available. There are 3" diameter and would look great on your planes or in the back window of your car. Come to the meeting to get one or several. These cost the club \$1.20 each, so please donate to the treasury if you want more than one.

Social Media Links

Here's how to find HSS on various social media. Check them out!

HSS Planned Activities and Events

Thanks to John Rittenhouse for the preparation of the following Calendar of Events.

Some of the activities have not been cancelled yet, but are subject to cancellation at a moment's notice.

Repeating activities include:

- Monthly General Meetings - 7 to 9 PM on the second Tuesday of each month. These are now in person.
- Monthly Steering Committee Meetings - 6 to 7 PM on the second Tuesday of each month. These are now in person. Additional meetings to be planned as required.
- Flying field maintenance on an as-needed basis.
- Quarterly meetings with the Orange County Parks Department. .

Annual Events:

- 2.10.2023 Wix, website management payment due.
- 3.23.2024 Wix, harborsoaringsociety.org domain name re-registration payment due.
- 7.2023 Network Solutions, website domain name re-registration payment due.
- March AMA charter and "Gold Leader Club" renewal.
- March Club must purchase "Certificate of Liability Insurance" from AMA.
- April Imaginology - This is a public service event held at the Orange County Fairgrounds. HSS provides booths containing static displays of model aircraft, build and fly paper gliders, and model flight simulators.
- June Lions Club Fish Fry. HSS has a booth at this annual event
- July Concerts at the Park - Three evenings on Tuesday nights in July at Fairview Park. Music is sponsored by the City of Costa Mesa. HSS supports this public service event with a pop-up sunshade, and static display of model aircraft.
- July Bent Wing Glider Competition. This event is open to all club members and guests.*
- August National Model Aviation Day. Open house, demonstrations, free flying lessons, and acquiring donations for charity.*
- August Dollar Foam Design/Build/Fly competition. Tentative schedule. Aircraft are original designs, electric powered RC models made from a single sheet of paper backed 1/4" foam. Performance criteria to be determined.
- September Electric Fun Fly Competition. Tentative schedule. Multiple events are planned for club members and guests.
- September Club Secretary shall submit annual 501(c)(3) report to IRS (include \$25 payment).
- October Pumpkin Festival/Scarecrow Competition. This is a public service activity for HSS. It is planned by the city, to be held at the Lions Park
- October Nominations made for new club officers.
- November New club officer election. General Meeting.
- December Christmas party and new club officer installation. Location to be determined.
- TBD Letter of Agreement with John Wayne control tower. Renew every two years.

Next Meeting

Our normal schedule is to meet on the second Tuesday of each month from 7 to 9 PM at the First Team Real Estate office located at 10072 Adams Ave (at Brookhurst), Huntington Beach, in the Stater Bros shopping center. Phone is 714-875-7994. Bring your favorite plane for show-and-tell. Bring your family and friends. There may be a raffle. The new location map is shown at right. The monthly HSS Steering Committee meeting is held from 6 to 7 PM just prior to the General Meeting.

Free Plane Rap Copies

Rob Askegaard has free near new color copies of HSS Plane Rap newsletters from 2005 through 2017 that he would like to give away. Contact Rob at the monthly meetings or 714-873-7710. rmaskgrd@gmail.com.

Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us, I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Mike Costello - Plane Rap Editor - mikeftre@gmail.com.

Photos of Your Planes

John Rittenhouse has become the club photographer, with Mike Costello as a backup. This is your newsletter, so if you want to see your models featured, or photos of something that interests you, please send to the newsletter editor.

MEMBERSHIP APPLICATION 2024

Harbor Soaring Society

AMA Chartered Club #128 - AMA's Oldest Chartered Soaring Club

P.O. Box 1673 Costa Mesa, CA 92628

Revised October 3, 2022

I understand that by applying for membership in the Harbor Soaring Society I must be a current member of the AMA (Proof of status required, may be photocopy of membership card or AMA receipt of fees paid). In addition, I will take the AMA TRUST test and show my Completion Certificate. When I acquire or already have acquired any Unmanned Radio-Controlled Aircraft, I will apply for an FAA Registration Number and affix that number to all my aircraft.

In accordance with the Federal Equal Opportunity Act, this organization prohibits discrimination against anyone based on race, color, religion, national origin, sex, marital status, age, individuals with disabilities or veterans. New applicants making application between November 1st and December 31st will pay the annual rate indicated above and such dues will make the new member paid in full for the following year. Applications for adult members submitted between July 1st and October 31st will pay a reduced rate of \$15.00 (name tags extra). A signature is required from all Harbor Soaring Society members, agreeing to comply with the current AMA Safety Code, the current HSS and Costa Mesa City General Field Rules, and FAA rules and regulations applicable to the flying of RC model Aircraft.

The undersigned attests that: I will operate my model using only radio frequencies for the control of fixed wing or multi-rotor aircraft, and/or data transmission, on equipment certified and approved for such use by the AMA, FAA or FCC as applicable. I understand that my failure to comply with the above restrictions will result in nullification of liability coverage for damages caused or claimed.
