

HARBOR SOARING SOCIETY

June 1975

July Meeting

The monthly meeting will be held on July 2 - Wednesday - at 7:30 PM. As usual, at California School in Costa Mesa.

The July Contest will be on Sunday, July 6 at Estancia High School. Time: 9:30. We will fly 4 rounds, 2 each of 2 Minute precision and 10 minute duration. The contestant will be given one minute after launch to decide which of the tasks he will attempt on that flight.

June Contest Wrap-up

The SC² contest hosted by HSS is now history and we are proud to announce it all went pretty well. Only 16 of our members participated - where were all of you? Jim Wiseman who took 7th place was the only HSS member to take home a trophy. A big THANK YOU is in order for Kirk Hanson who served as contest director, to Marge Donelson and Darlene Hanson who did all the registration and score keeping. (for the third year, we might add!). To Allan McNay and Jim Wiseman who acted as scale judges - Scott Miller our "official puncher person" - Scott Stemen, Jim White, and Leo Lake who kept the winches moving, and to anyone else who lent a helping hand.

The top 10 winners were:

- | | |
|-------------------|-----------------|
| 1. Rick Pearson | 6. Mike Fox |
| 2. Paul Parszik | 7. Jim Wiseman |
| 3. Bill Nibley | 8. Bob Gerbin |
| 4. Bob Freymuth | 9. Don Edberg |
| 5. Scott Christie | 10. Jesse Tatum |

The next SC² contest is scheduled for August 10 with PSA as host club.

New Members

Please add these new members to your rosters - and we welcome you to our club.

Lloyd Weaver

Irvine, Ca. 92664

Larry Berger
2181 American - # A
Costa Mesa, Ca. 92627

David and Larry McNay
16727 Glass Mountain
Fountain Valley, Ca. 92708

Dietrich Kuhl
14132 Elystan Cir.
Westminster, Ca.

News Notes

It looks as though there will be about 6 club members going to Illinois for the Soaring Nats in August, so HSS should be we represented. We will be sponsoring both a Senior and Junior team.

The night-fly at Mile Square enjoyed a good turn-out and worked surprisingly well. It was sponsored by Model Builder magazine so you will probably read more about it there. Everyone had a lot of good ideas, including Roy Stowers who showed up with a light bulb attached to his wing-tip!

For Sale

Windward kit \$20 or will trade for a Top Cat kit. Jim Wiseman - 525-5527.
