

HARBOR SCARING SOCIETY

MARCH 1975

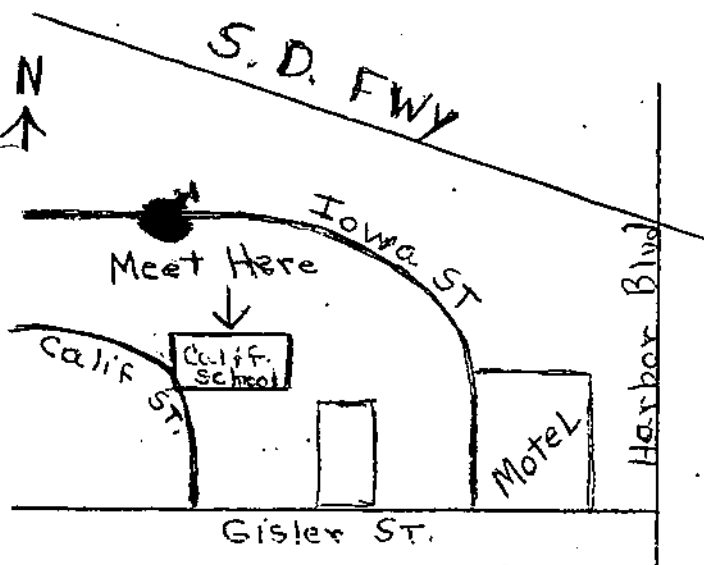

9122 Kapaa Drive
Huntington Beach, Cal. 92646

President: Kirk Hanson - 968-2620
Editor: Bob Hanson - 968-2620

APRIL MEETING

The April meeting will be held on Wed. April 2 at 7:30 PM. We will have a new meeting place for the next few months. Please pass the word to anyone who may want to attend. We will be meeting at the learning center in California School, 3232 N. California St., Costa Mesa. This should be much better since the parking at Estancia is ridiculous.

Directions to the school:

APRIL CONTEST

The monthly contest will be held at Estancia High School on Sunday April 6 at 9:30 AM. We will try having a special class for novice flyers this time, so all you new pilots be sure to turn out.

Tasks will be:

- 2 Rounds of 2 minute precision
- 1 Round of 5 minute duration
- 1 Round of 10 minute duration

Hopefully the rainy season is over, but should we have rain, will try to have the contest the following Sunday.

MARCH NEWS NOTES

Not a great deal of business was transacted at the March meeting. We do want to thank Charles Speer for bringing his new Orbit Elite radio to show us. This new model features 8 channels, open gimble sticks, digital readouts for voltage and flight time. Extremely fast servos, and a price tag of \$1,000! Gives us all something new to wish for.

We now have club patches available. They are 3 1/2 inch circular fabric patches for jackets, shirts, etc. Cost is \$1.05 each. Contact Joe Collins if you want some.

Seems unusual to be able to report a price reduction on anything these days, but the FCC has dropped the cost of FCC licenses from \$25 to \$4.00 - still good for 5 years. Since the club license, technically, is good only at club sponsored events, everyone might give some thought to purchasing your own.

Remember - the HSS-sponsored SC² contest is coming up in June. We will need lots of help and haven't exactly been overwhelmed with volunteers. Contact Kirk Hanson if you would like to help.
