Meeting Minutes, Oct'1988

The meeting was brought to order by president George Joy, at 7:35 pm on Oct 5, 1988, at our usual meeting place in Costa Mesa. The meeting minutes for the Sept 1988 meeting were approved and voted into the record by the club members in attendance. The treasure report was provided by Chris Hurly, and voted upon and approved.

New face:

Ed Holly and Dave Jewell were introduced to the club.

Old business:

V. P. Felix Vivas stated that He would like to have an input on what films to buy for the Club library. The current club V.P. will maintain the film library. Filix also announced that the club meeting in Nov. will have a swap meet, so bring all of your good junk.

It was announced that orders are being taken for batteries for wenchies and retrievers.

A recommendation was made by the Board that the club dues remain the same as last year. The recommendation was moved and seconded.

A decision by the Board to revise the wording for rule 8, dealing with soaring time limits, previously discussed in the Oct news letter, was described by President George Joy. After much discussion, it was agreed to accept them as read by George. Refer to the latest Club new member packets for the latest wording.

Chris Hurley made another request that club members turn-in their lists of club equipment that they presently have in their possession. Chris also made a request that everyone working on their LSF levels provide him with an update, and he will provide a monthly status of LSF activity in the news letter.

George Joy is putting together a trip to the desert for a cross country flight to satisfy LSF requirements. He is going one of the last weekends in Oct. Contact George if you are interested.
