***** PRESIDENT'S CORNER *****

Let's hear what you think about Lee Renaud's movie and seasoned flyer contest he put on last month. It shows again what the real good flyers can do. For those that were not there, Scott Miller, and Paul Nelson took first place. Phil Harris and Randy Ritschke took second, and Don Endicott and Mike Muncey took third. This was Ken and Randy's first contest, while Mike has had some experience. With a little personal help from the pros of their teams, the novices did a great job. What do you think, should we have more contests like that? A reminder; the June meeting is the last chance to get points for new members. But don't let that stop you from bringing new flyers into the club. Also, Jim White, the V.P., will take over for me, while Bill Davidson and I tour the country. We hope to fly in a contest with Gordon Peterson in Michigan about the end of May. We are both sweating out some illness, but we hope that everything will brighten up, so that we can go.

HAVE A GOOD MEETING, Gordon
