The 1975 HSS new year got off to a high flying start with an installation dinner January 9th. About 25 members enjoyed a fine German meal at the Phoenix club in Anaheim. Thanks to Hans Langer for making the arrangements. As you know, the club picked up the tab. Too bad more of you couldn't join us. Officers for the new year were installed and a short business meeting was held. There has been interest by some of the newer members in forming a novice class for our monthly contests. Seems that some of them don't feel that they can compete with the hotshots and therefore will not compete at all. Has some merit! Give it some thought and let's hear what you think about it. While we are on the subject, we will appreciate any suggestions, items of interest, or constructive criticism that will help the club and especially your newsletter editor in the coming year. News items should be in by the 20th of the month to be included in the next newsletter. For several years, we have had nearly 100 members in the club, yet only a handful attend meetings and contests. It is usually the same 25 to 30 percent. Let's see some new faces and hear what the other 75% has to say. Program suggestions invited. As we go to press, SC is meeting to formulate the contest schedule for the coming year. Chances are we will be asked to host one contest.

## 1975 CLUB MEMBERSHIP RENEWAL TIME

1975 club fees are now due. Remember, if you are using the club FCC license you are covered only if you have a current membership card. Please complete the attached application and bring it to the February 5 meeting or mail it to Joe. We would like to print a 1975 club roster for each member about March 1st, so would appreciate your getting your membership in before then. Don't forget - it's also AMA renewal time. The club isn't geared to handle these, so everyone should send them directly to AMA. REMEMBER you can not compete in club contests without your AMA license. Please let Joe Collins know when you renew AMA so that you may be added to our club charter for insurance purposes.
