TIP - by Al Mitchell

If you own a Futaba radio and desire to make a frequency change, it might be worth your while to drive to the Futaba repair facility in Compton.

Costs are:

1 Receiver and 1 Transmitter	\$10.00
Each additional receiver	7.50

Example: 1 Transmitter and 3 receivers \$25.00

At Authorized Radio Control Service, this same frequency change would cost \$60.00. Futaba does keep your old crystals where Authorized does not.

For other brands of radios, you may want to try Authorized Radio Control Service, 941 Main St., Orange, CA 92667.
