

HARBOR SOARING SOCIETY

April 1975

The May meeting of HSS will be held on Wednesday, May 7, at 7:30. We will meet again at California School, 3232 N. California St., Costa Mesa. The facilities here are great and no parking problem. We are planning to have a raffle at the meeting and Tom Jones has been busy buying the prizes. Tickets will be 25¢ each or 5 for \$1. The plans are to make this a monthly event if enough interest is shown.

We would like to have some volunteers for "show and tell" sessions at future meetings. If you have a new plane or good idea to share, bring it along. Bob Hahn mentioned he would bring his new Legionaire glider to the May meeting, so plan to be there to see it.

Joe Collins is making arrangements to get some HSS decals. These will be 50¢ each with each present member and new member receiving one free. Contact Joe about any you may want. (839-0646)

A special class for novice fliers was introduced at the April contest and we were pleased with the interest shown. One minor problem did arise in that the novices did not fly exactly the same tasks as the other contestants. Therefore they couldn't be counted in the contest total for ISF contest points. To simplify matters in the future all contestants may be asked to fly the same tasks, however the novices will be scored separately.

The following amendment to our Constitution was presented at the April meeting and it was voted that it be presented to the membership for approval. Please mark your ballot and return to Leo Lake, 1653 Oahu, Costa Mesa, Calif. 92626, by May 15, or bring to the May meeting. Any ballots not returned will be assumed to be Yes votes.

Amendment # 3
Article V - Section II

Current membership in the Academy of Model Aeronautics (AMA) is a requirement for all Harbor Soaring Society Members.

YES _____ NO _____

April Contest Results

1	Col. Thacker	3523
2	Matt Ontko	3403
3	Kirk Hanson	3386
4	John Donelson	3181
5	Tom Jones	3170
6	David Oberman	2934
7	Mike Fox	2858
8	Allen McNay	2810
9	Bob Hanson	2715
10	Jim White	2713

The May Contest will be held on Sunday, May 11 at 9:30 - Estancia High School. Allen plans to fly 2 rounds of 2 minute precision and 1 round of 5 minute duration. There will again be separate scoring for the new Novice class. We know, this Sunday is Mother's Day, but because of our agreement with the school, and other up-coming events, it's the only day we can have it. Make the Mother's Day gift extra special so she won't mind when you go flying!
