10- Chasteler T.	2731		918	
11- Beckman	2661			894
12- Smith	2188		735	

Here we are finishing the 1981 flying season. We were able to survive with a board running the club. The board with much political side-stepping, procrastination, request, etc. by the City and County were able to aquire legal use of undeveloped land in the Fairview Regional Park. A few club members have spent much time in removing trash and weeds, disking and leveling the land, planting grass seed, and now watering the area. We now are flying on this land.

ESTANCIA IS NO LONGER A LEGAL FLYING SITE

This new flying site is at the North end of Canyon Street and is to the West of the football field. The field extends to the bluff for 1000 feet and is 300 feet wide.

H.S.S. the oldest AMA chartered soaring club the world had a first with 4 electric sailplane contests in 1981 and will make it 5 with a contest in Dec.

As Morrie put it in an article last year 'Always keep in mind that we are a Hobby-oriented club existing for the FUN and ENJOYMENT of ALL its members.' It is only fitting that each member does his or her part in helping to maintain our new field.

There will be a discussion on the use of the new flying site for 1982 at the Dec. meeting.

At the Nov. meeting H.S.S. had election of officers for 1982. They are as follows;

Pres. -----	John Krug
V.-Pres. -----	Dick Pantzar
Secretary -----	Larry Jolly
Treasurer -----	Frank Chasteler
Contest Coordinator -	Dan Fink
General Directors --	{ Morris Smith
	{ Wayne Selway
Editor -----	NONE

DUES for 1982 are now payable. Enclosed is an application. Dues not received by the Jan. meeting will cause you to be dropped from the club.

Year End top 10 trophies will be given out at the Dec. meeting. A complete listing of all contestants is on next page. Scores are total of all thermal contests using best 5 of 6 contests.

DEC. CONTEST

We will have an electric contest on Dec. 13 or 20. Date to be fixed at the Dec. meeting. It will be a warmup to the Boucher's (Bob and Roland) Jan. contests scheduled for Jan. 10 & 17. There will be two classes, 05 and OPEN. Each will fly separately.

HARBOR SOARING SOCIETY 1981 FINAL STANDINGS
