AMA Charter #128

The Western Soaring Capital

President's Message

by Larry Jolly

I want to thank all the Club members that visited the Parks Commission Meeting last month. We did well at that meeting and it would appear that we have a good chance of staying right where we are. I want everyone to realize that our use of the park is not absolute. We must be constantly on the look out for any unsafe flying or operations that are contrary to our obligations as good neighbors. I want all Club members to get the attitude that if something doesn't look quite right, or could be a problem, don't wait — do something to rectify the situation. Remember it is your field and YOU could make the difference when it comes to saving or losing it.

If any one finds a Stylus Transmitter, I left mine at the field a couple of weeks ago. Summer is almost here and several of Harbor members will soon be traveling to Greece for the F3J World Champs. We depart June 25 and will be back July 16. Mark Taylor plans to make updates on the Teams progress at F3X.COM. Remember the Senior

Next Contest — June 11

C.D.: Steve Addis

The monthly club contest will be held Sunday, June 11. We will be flying the "standard" contest — a 4, 6 and 8 min. precision duration.

Next Meeting — June 6th Tuesday

The club meeting will be starting at 7:30pm at the Irvine Water. District. 15600 Sand Canyon Ave, Irvine.

Our V.P., Jim Hansen will be putting on a show, and tell. He will give a short demo on how to make a composite glider skeg. He will also field questions about other things, such as: how to items such as installing wing servos, decorating models, repairing damaged wings, or fuselages, soldering battery packs, etc. It will be very informative.

Meeting Minutes —cont'd from pg 1

worked out all the calculations necessary to fix any potential problem. (editor's note: a fan was installed a few days after the meeting and there is no longer a problem.)

- Contest CD's: - If you wish to CD a monthly club contest you need to contact Ross or Joe, Then you must submit your format to the newsletter editor by the posted deadline date (the next deadline is July 21st). If there is no contest format submitted by the deadline then the club default format, (4-6-8 min.), will be posted in the newsletter.
- Starting next month refreshments will be served at the club meetings. There will be a 50/50 raffle at \$1.00 per ticket with one half going to offset the refreshment cost and the remainder goes to the raffle winner, drawn at the end of the night.
- Monthly Poll: by a narrow margin most were content to leave our meeting place where it is. A new poll each month on our web site at www.1hss.org.
- 7:30 general meeting called to order: 30 people present
- Four visitors and new members were introduced and welcomed.
- Larry Jolly reported on the meeting with the city over our spot in the Fairview Park Master Plan. Our current location was well supported. The Master Plan has us back by the trees north and east of where we currently are. Two more steps are needed to insure our home remains where it is. Please take an active part in reminding others to fly safe and avoid any controversy. The city views our twenty year relationship as that of

guardians of the park.

- Roger Saville will have his first air show May 13th
- Karl Hawley reported on the Rose Bowl two day event. He mentioned a woman that was there and a new winch that really had him excited. Congrats to team HSS for 1st place. And to our president, Larry Jolly 1st place and to Ben Clerx 2nd place.
- Hand Toss Junkies: May 28th contest, (yeah it's Memorial Day weekend) our field, come on down.
- Film Library: Karl Hawley has 'em; check it out on our web site..
- 8:30 Dave Sanders of Daves Aircraft, talks about Foamies. He talked about restoring those old foamies and about his new park flyer. Unless you've heard Dave talk you have no idea how one person can talk so long about rubber airplanes and keep everyone interested until we were forced by time to stop. - Great Job Dave. The meeting was adjourned at 9:30

team is raffling off a Hera Model and several other goodies. If you haven't bought a ticket see Me or Mark, you don't want to miss out. They hardly ever remember who won the World Champs but they will always remember who got the Hera for \$20.00. I am still looking for helpers for or Hand Launch contest May 28, if you can help out let me know. I hope you all have some great flying sessions, See you at the field. Larry
