President's Message

November, the month of elections and Thanksgiving, can you believe how fast the year has flown past? I want to remind all of you that the meeting will be held Tuesday, November 7th. Please go and vote in the National election and then come and join us for a much friendlier evening. The club nominations and election of 2001 officers will be held at this meeting. The election will be held during the break, and then I will then give a talk on how to sharpen up your contest skills. We need a CD for the November Club Contest hopefully someone will volunteer at the meeting. Don't forget to get your reservations for the Christmas banquet into Jim Hanson. Jim has done a great job of getting everything organized and from the sound of things this will be the best Christmas get together in years. Speaking of get togethers I want to congratulate the HSS gang for coming in second in team at Visalia. We almost got the guys from PSS, and will have another chance at them in February in Phoenix. I hope all of you have a great Thanksgiving, and that you have a super time with your relatives. I want to remind you that the HSS field will be open the day after Thanksgiving and it will be a great place to get some fresh air while the lady of the house heads for the malls. Don't forget our SC2 meet November 19. We will need some volunteers for timing and landing judges. I hope you can make the meeting, and if I miss you there I hope to see you at the field.

Larry Jolly

Meeting Minutes

Larry Jolly called the meeting to order; 7:15pm. Larry called for nominations of officers for the General Elections to be held at the November club meeting.

Jim Hanson reported on the Christmas party to be held at Zubies chicken Coupe Friday, December 8th. Food will be Chicken @ \$11, Prime Rib @\$18, or Sword Fish @ \$19. Jim will have drink tickets that he will sell the night of the party. Zubies will be paid at the end of the night. Get your food tickets from Jim Hanson at the field. Jim would like all who are attending to get tickets by Thanksgiving. Info is also on WWW.1HSS.ORG

Larry proposed a \$5 dues reduction next year for those who will take their newsletter via E-Mail. The newsletters will be posted to the web site for reference also. More discussion on this at the meeting.

Ross Thomas will need 9-10 helpers for our Nov SC2 contest and swap meet. This is a big fundraiser for the club. Sign up at the club meeting or see Ross to volunteer. The Nov SC2 contest will count toward our year-end club standings.

Dec 3rd we are hosting a bent wing contest, more info on the web site.

If you are not getting the newsletter, write down your name address etc and give it to an officer at the field.

Roger MacGregor reported that the city gave final approval for our location in Fairview Park. Complete with grass landing and launching areas, plus a new storage area built in with the new bathrooms.

Don Zink our guest showed a very sophisticated free flight model that is pro-

grammed with a palm pilot for each flight-cool!! Don introduced the builder Vasili from the Ukraine. Vasili makes some very interesting thermal models that are extremely inexpensive. Karl Hawley ordered two of them that Vasili will personally deliver in February on his next trip. Vasili is working on a web site and will keep us posted. Meeting adjourned at 9 pm

"NICKS PERSONAL VIEW!"

I would like this experiment to be a fair assessment of whether this is an activity that could be enjoyed by all club members.

I think this type of contest format, i.e. head to head, same air could be expandable to include other top fliers, and other clubs in the area.

It could also be set up as a club against club activity amongst all of the SC2 CLUBS.

Same air, head to head thermal duration flying is an enjoyable format, and a real competitive challenge. I am asking that all club members please plan to be a part of this experiment.

Sincerely Nick Buzolich
