- Monthly Board Meeting 6-7 PM Tuesday Oct 10, 2023.
  - Monthly General Meeting 7 PM Tuesday Oct 10, 2023.
  - **Nominations** for 2024 officers, Oct 10
  - Fairview Park flying days! Oct 7 & 21
  - Chino Flyers swap meet Oct 15
  - Officer **elections** Nov meeting on the 14th

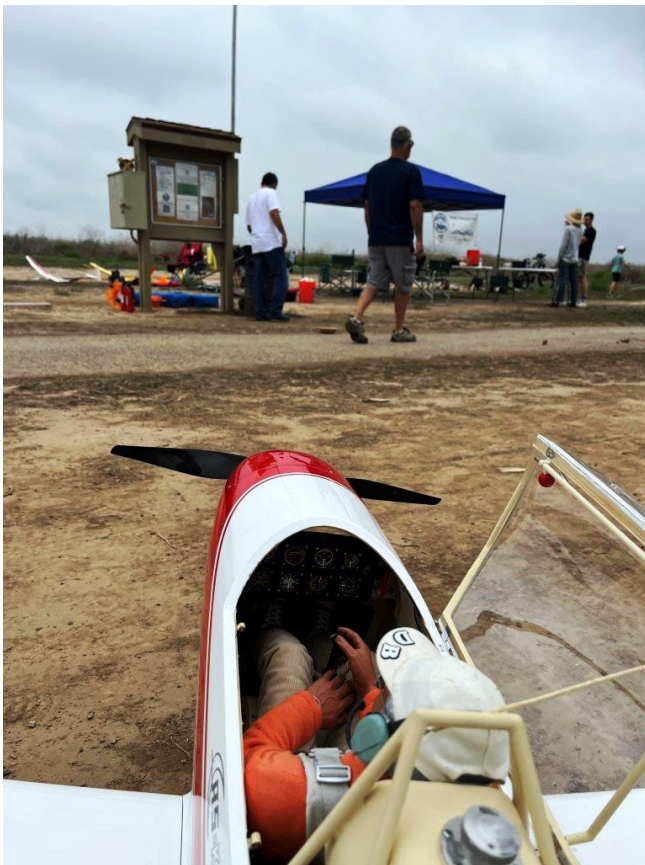

**Dennis Brandt and his ASK-14**

At our most recent flying day, Sept. 16, Dennis Brandt brought out his large scale electric ASK-14. What a magnificent model! Here's Dennis' brief biography:

In May of 1976 I went to the MAC (model and craft) show at the Anaheim Convention Center, I saw an outdoor demo of a sailplane bungee launched and the next Monday I was at Hobby Shack Fountain Valley and left with a kit and a 2 channel radio. Built just about every sailplane kit on the market, built many Airtronics kits including the Sagitta on the box label, participated in many contests in SoCal, helped build models for many TV series and many movies, (Die Hard, True Lies etc.) and because of the hobby I found my career at Hughes Aircraft and retired from same 32 years later. Started building scale gliders in 1994 and still enjoying them today.

**Frank Colver Visit**

If any of our current members don't know him, Frank was one of the founding members of HSS way back in 1962, when it was called Harbor Slope Soaring Society. He and his buddies used to fly of the eastern slopes overlooking the Back Bay of Newport.

Frank visited us on Sept 16 for most of the day. It was great catching up and hearing stories from back in the day.

Frank Colver & Henry Smith III

Frank, Henry, and Ted Broberg

**Nominations & Election**

It's that time of year once again: time to select our club officers for 2024. With that in mind, please nominate people you think would do a good job as President, VP, Secretary, & Treasurer. Nominations will be accepted at our meeting October 10. The election will take place at our meeting November 14.

I'd like to take this opportunity to extend my personal, and the club's, thanks to Mat Garcia for serving as our President for the past two years. Mat, and his workmates, have done a great deal of work to benefit the club, and the City of Costa Mesa. He finalized the deal to get us flying again (hurrah!!), helped Estancia & Costa Mesa HS shop departments, and established internships for deserving students.

**Eastbluff Elementary STEAM Event**

HSS was invited to a STEAM event at Corona del Mar's Eastbluff Elementary School on September 28, just a stone's throw from the slope where our club was founded. Mat Garcia showed up with two UMX Radians, a UMX Pitts, two flight sims, and more. Mike Costello took two models to hang up; John Rittenhouse took his camera and good attitude. We were also supported by two Overair/HSS members, Mansi and Jeff.

We spoke to a lot of interested kids, handed out numerous sets of plans for small free flight gliders, and guided kids to make the famous FPG-9 glider from a foam plate. It was a great way to spend a pleasant Thursday afternoon and inspire a few future engineers, pilots, modelers...

## **Swap Meet and Auction**

October 15th, 2023  
Fisherman's Retreat  
32300 San Timoteo Canyon Rd  
Redlands, CA

The American Model Airport Association (The Chino  
Flyers)

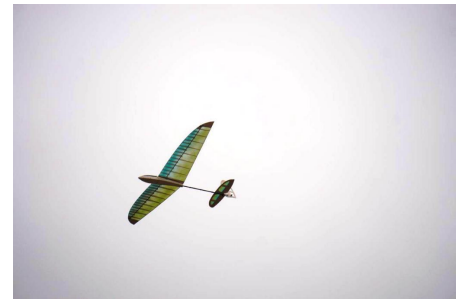

Welcomes all sellers to join us on October 15, 2023 for  
a swap meet and auction of RC related items.

The cost is \$10 per seller, set up starts at 7AM  
Hot dogs and hamburgers will be served for lunch  
followed by the auction and a raffle.

Now is the time to clean out that hanger or replace  
those planes and supplies that left your hanger this  
year.

**Glider Flying Sept 16**

**Old Windrifter**

One advantage of being the newsletter editor is you can show off your own models! Here is my 45-year-old Windrifter. I used Ralph Ray's version as inspiration for mine, reducing the fuselage to be only one servo tall x two servos wide. The rudder is all-flying, with most of its area down low; the idea was to induce a roll moment in the same direction as the yaw. If the rudder is tall, and you command a right turn, the plane gets a right yaw but a left roll. On its maiden contest outing, Lee Renaud told me it would never fly, assuming the vertical area was insufficient. But it does fly quite well! The stork was cut from a leaf (banana? bamboo?) by a sushi chef; I told him I would fly it on my glider.

## The TRUST Test and FAA Registration

TRUST is The Recreational UAS Safety Test. It provides education and testing for recreational flyers on important safety and regulatory information. If you fly your drone recreationally under the [Exception for Recreational Flyers](#) you must pass the test before you fly. To take the test, go to <http://trust.modelaircraft.org>. This is the AMA Site. Take the test (Don't worry, it is fail proof) then obtain your "Completion Certificate."

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

## HSS Membership

Our 2023 HSS membership enrollment season is running full speed. Note that annual membership dues is now reduced to \$15. The latest membership application, dated Oct 2022, is included in the last pages of this newsletter. This can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at [www.harborsoaringsociety.org](http://www.harborsoaringsociety.org). Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site [www.modelaircraft.org](http://www.modelaircraft.org), download document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined. And, don't forget your City of Costa Mesa Flying Permit, when finally the city does reissue these. Details are shown elsewhere in this newsletter.

## HSS Club Decals

We now have decals / vinyl stickers with the HSS logo available. There are 3" diameter and would look great on your planes or in the back window of your car. Come to the meeting to get one or several. These cost the club \$1.20 each, so please donate to the treasury if you want more than one.

## HSS Planned Activities and Events

Thanks to John Rittenhouse for the preparation of the following Calendar of Events.

Some of the activities have not been cancelled yet, but are subject to cancellation at a moment's notice.

### Repeating activities include:

- Monthly General Meetings - 7 to 9 PM on the second Tuesday of each month. These are now in person.
- Monthly Steering Committee Meetings - 6 to 7 PM on the second Tuesday of each month. These are now in person. Additional meetings to be planned as required.
- Flying field maintenance on an as-needed basis.
- Quarterly meetings with the Orange County Parks Department. .

### Annual Events:

- 2.10.2023 Wix, website management payment due.
- 3.23.2024 Wix, harborsoaringsociety.org domain name re-registration payment due.
- 7.2023 Network Solutions, website domain name re-registration payment due.
- March AMA charter and "Gold Leader Club" renewal.
- March Club must purchase "Certificate of Liability Insurance" from AMA.
- April Imaginology - This is a public service event held at the Orange County Fairgrounds. HSS provides booths containing static displays of model aircraft, build and fly paper gliders, and model flight simulators.
- June Southern California Soaring Clubs (SC-2) glider competition. HSS hosts local glider clubs, for one of the monthly events held throughout Southern California.\*
- July Concerts at the Park - Three evenings on Tuesday nights in July at Fairview Park. Music is sponsored by the City of Costa Mesa. HSS supports this public service event with a pop-up sunshade, and static display of model aircraft.
- July Bent Wing Glider Competition. This event is open to all club members and guests.\*
- August National Model Aviation Day. Open house, demonstrations, free flying lessons, and acquiring donations for charity.\*
- August Dollar Foam Design/Build/Fly competition. Tentative schedule. Aircraft are original designs, electric powered RC models made from a single sheet of paper backed 1/4" foam. Performance criteria to be determined.
- September Electric Fun Fly Competition. Tentative schedule. Multiple events are planned for club members and guests.
- September Club Secretary shall submit annual 501(c)(3) report to IRS (include \$25 payment).
- October Pumpkin Festival/Scarecrow Competition. This is a public service activity for HSS. It is planned by the city, to be held at the Lions Park
- October Nominations made for new club officers.
- November New club officer election. General Meeting.
- December Christmas party and new club officer installation. Location to be determined.
- TBD Letter of Agreement with John Wayne control tower. Renew every two years.

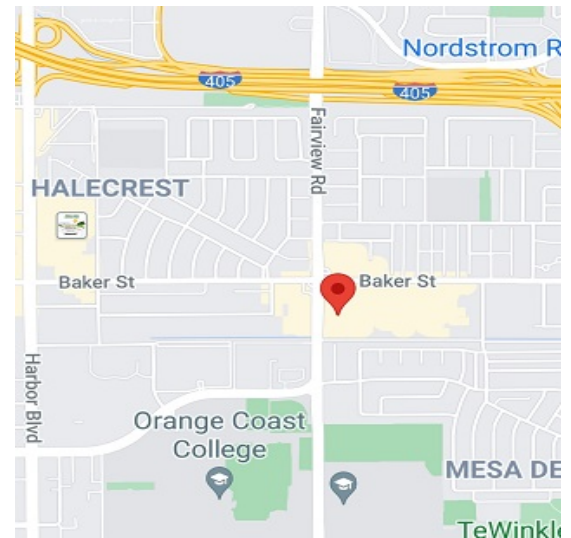

### Next Meeting

Our normal schedule is to meet on the second Tuesday of each month from 7 to 9 PM at the Round Table Pizza restaurant located at 1175 Baker Street, at the South East corner of Baker and Fairview. They have a meeting room but no buffet. Individual pizzas, sandwiches, and drinks can be ordered. Phone is 714-549-2101. Bring your favorite plane for show-and-tell. Bring your wife, family, and friends. There may be a raffle. The new location map is shown at right.

The monthly HSS Steering Committee meeting is held from 6 to 7 PM just prior to the General Meeting.

### Free Plane Rap Copies

Rob Askegaard has free near new color copies of HSS Plane Rap newsletters from 2005 through 2017 that he would like to give away. Contact Rob at the monthly meetings or 714-873-7710. [rmaskegrd@gmail.com](mailto:rmaskegrd@gmail.com).

### Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us, I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Mike Costello - Plane Rap Editor - [mikeftre@gmail.com](mailto:mikeftre@gmail.com).

### Photos of Your Planes

We are very fortunate to have Rob Askegaard as our club photographer. Rob has a high degree of talent, and supplements that with an excellent camera. His well composed and very realistic photos taken at ground level and his remarkable stop action in-flight pictures are superb. Rob's contributions are what make our newsletter really spectacular. We try to feature everyone and their planes, so if you haven't seen yourself in our newsletter, look for Rob just about any morning and pose for him. Anyone who wishes a high quality print or jpg file of their favorite plane should contact Rob, or your editor. Phone and E-mail information is shown on the last page of this newsletter.

**For Sale**

- Dennis Dunn has the following **glider kits** for sale. He can be reached at [ddunn99@earthlink.net](mailto:ddunn99@earthlink.net) or by phone at: (310) 325-8123

SIG – Ninja glider -	58" wingspan (foam Wing)	\$89.00
TOP FLITE – Antares glider -	99.75" wingspan	\$188.00
GREAT PLANES – Spirit glider -	2 meter (78.5")	\$122.00
AIRTRONICS - Sagitta 600	78.7"	\$215.00 (Qty 2)

Selling both as a package because one has been started and the fin is built and covered, elevators are covered, wing tips shaped, stiffeners glued to fuse sides and this way if anything is missing they can fab parts by tracing the untouched one.

**HSS Sponsors**

The following companies are proud sponsors of Harbor Soaring Society. They give us special offers, and make contributions to our monthly raffles. In return, please support them, and mention that you saw them advertised in the HSS Plane Rap newsletter.

**AirPixel Technologies/FrSky Distributor**

I just wanted to reach out on behalf of FrSky, as we are working directly with the manufacturer to do some community outreach to aviation clubs that are close to us here in Southern California, as provided by the AMA Club list. If anyone who happens to be a part of your club or organization is looking to purchase any number of **FrSky radios, receivers, gimbals, or other FrSky products**, we would love to assist in fulfilling these needs. During this outreach, we will be **lowering our prices to assist local clubs** in obtaining the necessary gear to get members flying as soon as possible. If you or anyone in your club is looking for products of this variety to assist in your RC aspirations, please do not hesitate to contact us via email or at our office phone number, which I will attach below, where we can answer questions regarding sales and warranty questions, and assist with any and all FrSky product related technical difficulties that you or your club members might run into.

Thanks so much for keeping the hobby alive and I look forward to hearing from you! -Brock

**Brock Nelson** <[Brock@airpixeltek.com](mailto:Brock@airpixeltek.com)> sales <[sales@airpixeltek.com](mailto:sales@airpixeltek.com)>

AirPixel Technologies: North American FrSky Distribution and Service Center  
[9690 Telstar Ave.](http://9690TelstarAve.com) [Suite 226](http://Suite226.com) [El Monte, CA 91731](http://ElMonte.com) Phone: 626-656-3121

**RC Visions Hobby Shop**

RC Visions is the new name replacing Rob's R/C Hobbies. The hobby shop is under new management with improvements in their service particularly for model aircraft. Your editor met with General Manager Mark Smith, who has confirmed that RC Visions has new hours, seven days a week, and will offer a 10% discount to HSS members on most everything except kits and electronics (as noted in the ad below). We are most fortunate to have this great hobby shop continue in business.

**RC VISIONS HOBBY SHOP**

### MEMBERSHIP APPLICATION 2023

Harbor Soaring Society

AMA Chartered Club #128 - AMA's Oldest Chartered Soaring Club

P.O. Box 1673 Costa Mesa, CA 92628

Revised October 3, 2022

I understand that by applying for membership in the Harbor Soaring Society I must be a current member of the AMA (Proof of status required, may be photocopy of membership card or AMA receipt of fees paid). In addition, I will take the AMA TRUST test and show my Completion Certificate. When I acquire or already have acquired any Unmanned Radio-Controlled Aircraft, I will apply for an FAA Registration Number and affix that number to all my aircraft.

In accordance with the Federal Equal Opportunity Act, this organization prohibits discrimination against anyone based on race, color, religion, national origin, sex, marital status, age, individuals with disabilities or veterans. New applicants making application between November 1st and December 31st will pay the annual rate indicated above and such dues will make the new member paid in full for the following year. Applications for adult members submitted between July 1st and October 31st will pay a reduced rate of \$15.00 (name tags extra). A signature is required from all Harbor Soaring Society members, agreeing to comply with the current AMA Safety Code, the current HSS and Costa Mesa City General Field Rules, and FAA rules and regulations applicable to the flying of RC model Aircraft.

The undersigned attests that: I will operate my model using only radio frequencies for the control of fixed wing or multi-rotor aircraft, and/or data transmission, on equipment certified and approved for such use by the AMA, FAA or FCC as applicable. I understand that my failure to comply with the above restrictions will result in nullification of liability coverage for damages caused or claimed.
