-----THE PRESIDENT'S CORNER-----

Tom Jones had promised a good contest for Sept., and he sure had one. It was really different. We had a good turn out too. 1 st 2 nd and 3 rd; Phil, Bob G. Scoot. Sounds familiar, and 4 th place went to Pete Richardson--Good going Pete!

An incident happened during the contest I would like to comment on. Gene Monroe from PSA had a fly-away, he didn't know what happened but sure was a free-flight. It landed some where near Harbor Blvd. and while Gene and some buddies were out looking for it, a fellow brought it back to the school field because he knew we flew from there. With the amount of time and expense we put in a plane I'm sure we all appreciate a guy that would return a fallen bird. I don't know who he is but THANK YOU from us all and especially Gene.

There are just two contests left for the year--Oct. & Nov. Fun-Fly for Dec.--For the Renaud Award of the year it is close between Phil and Frank, with Tim and I a distant 3 rd and 4 th. So it will be decided on the very last contest. We will see if it helps to have points for attending the meetings, and bringing new members into the club.

We have had some real good films after the meetings, our entertainment chairman, Bill D., has another for Oct. Hot air ballooning!

Come see---Wed. night Oct. 4 th

Gordon

Comment from your editor; It would be ironic to come in first in flight scores and then have the poor second place beat you out because he made two more meetings than you and brought in one more member, laughed and picked up all the big marbles.

As Editor I need input form more than the president and the treasurer. The printer tells me he can run six pages (including the cover, that's the one with the membership form) for the same low low low price of \$6.33 1/3 per issue (that is 3 months for \$20.00) Next year will be more (what else is new????) so give me some-thing--any thing. Just mail it to me TWO weeks before the regular
