"Oldest Chartered Soaring Club In AMA" Charter # 28

September 1988

Volume 25 Number 9

SEPTEMBER CLUB MEETING

The September club meeting will be held on Wednesday, September 7, at 7:30 pm at the Consolidated Water District Office, 1965 Placentia Ave., Costa Mesa. Felix will show a high tech sailplane he acquired from Germany. It is called the Ariane 4 and is designed and manufactured by Franz Weibgerber. Felix will also cover the F3E World Championships at which the U.S. Team finished fifth. Preparations will also be initiated for our SC² to be held at the end of the month.

OCTOBER CLUB MEETING

The October club meeting will be held on Wednesday, October 7, at 7:30 pm at the Consolidated Water District Office, 1965 Placentia Ave., Costa Mesa.

September Club Contest CD - Chris Hurley

The September contest will be held on Sunday, September 10, 1988 at the Mack Freed Memorial Field flying site. The Contest will start at 9 AM.

The contest will consist of three rounds of flying using the 3-5-7 format. Scoring will be 700/300 for 3 minutes, 800/200 for 5 minutes and 900/100 for 7 minutes. Landings will be the standard 25 foot radius circles.

Meeting Minutes, August 1988

The meeting was brought to order by Treasurer Chris Hurley, 7:30 pm on August 3, 1988 at our usual meeting place in Costa Mesa. The meeting minutes for the July meeting were approved except for the typo in the price for Jim Frye's modification of the signs which should read \$50.00 not \$5.00. The minutes were voted into the record by the club members in attendance. The treasurers report was given by Chris Hurley and approved by the club.

NEW FACES:

Earl Wentworth was introduced to the club. Tony Martin is back from Australia and we are looking forward to seeing him at the field.

OLD BUSINESS:

- * New name badges are in. They will be available at the next club meeting.
- * Any new AMA members who have recently received their AMA # please contact a club officer so that we can enter it into our records.
- * The board rejected the idea of holding a Lee Renaud Memorial Contest this year due to the number of contests already held. Due to interest by the club it was decided to hold a contest at the end of February 1989, not to coincide with any other contest. Franck Chasteler volunteered to CD the contest and Ken Meyers will be the assistant CD.

NEW BUSINESS:

- * A question was asked why Mack Freed Field was not used as the official name of the field on the SC² flyer. It will be added to future flyers but the field must also be described as located in Fairview Regional Park so that out of towners can find the field.
- * Chris Hurley mentioned that the club might want to consider a dues increase to be discussed at the next meeting.
- * Felix Vivas will reimburse HSS for expenses incurred during the F3E trials.
- * Ken Meyers talked about a Old Time Glider contest. The sailplane design cutoff date for this class is 1947. Contests usually are 20 minute add em up. He will supply our newsletter editor with a copy of the rules to be published in the newsletter.
- * Chris Hurley suggested that the club might want to consider amending rule eight of the field rules. This rule limits frequency time to 15 minutes. The controversy centers around the fact that winch launched sailplanes get one launch attempt while hand launch gliders get many throws and take up the full allotted time. After much discussion it was decided to allow the board to come up with a solution.
- * The meeting closed at 8:45 pm. Felix brought in some videos for entertainment.

FROM THE PRESIDENT

Another month has come and gone, and so has the flying. Having spent the first week of August in our nations capitol, I didn't get to our meeting. I heard that Chris Hurley, our treasurer, took over the meeting because Felix Vivas, our vice president, had an emergency arise. The word I got was that Chris did a great job of conducting the meeting. Thank you Chris. It's nice to know that there is someone willing to accept the responsibilities and keep things moving in the right direction.

There are several name badges that didn't get made up for one of several reasons, not being aware of those new members who did not receive one at the beginning of the year, not having your AMA number on file, or you slipped through a crack. For whatever reason, if you have not received one, please let myself or Dave Nemecek, our secretary, know so we can get you one.

This month is our turn to host the SC2 contest. We will need everyones help to make it as successfull as it has been in the past. Please let Dieter Lamprect, our contest director, know where you will be able to help, with set-up, teardown, scoring, timing, winch operator, retriever operator, landing judge, or anywhere else I may have missed on the list. Your assistance is appreciated, Thank You.

This year Steve Hendry has aquired the services of a vendor to have a lunch truck available at the field for this event, so we don't have to get our wives up early on Sunday morning to fix us a lunch, HA HA.

Flying at the field has been pretty good for the past month, the prior two Saturdays to this writing, I have only been able to get in one flight on each occasion, because the were an hour long.

Last months contest had a very good showing, weather was great but there was a mishap that shouldn't have happened. Bill Brahams was flying his Cumic; appaently looked away for a moment then back. He thought he had his plane in sight, but it was another plane. He didn't realize it was the wrong plane until it hit the ground, straight down, and right in front of the scoring table in the pits. It is very important that you keep an eye or your timers eye on YOUR airplane at all times. Fortunately the only damage was to the aircraft. this could have been a major disaster, remember that safety should be our primary responsibility.

Sincerely,

George J. Joy
