AMA Charter #128

The Western Soaring Capital

## President's Message

I hope all of you had a great Christmas and New Year, and that you are now ready to come back and get some soaring in with your buddies at HSS. We got a lot of work done at the January Club meeting and it looks like Jim Hanson is back hard at work recruiting entertainment for the meetings. The next meeting Tuesday, February 6 we are lucky to have Don Edberg speaking. Don is a long time friend of soaring, very knowledgeable, and an entertaining speaker. I hope you can join the rest of us at the meeting, and if you are having trouble programming something, bring your radio with you. I want to remind everyone that we will have a scale sailplane get together Aero Tow on February 10. If you have been thinking about getting into scale or would just like to watch come out and join us. I will CD the club contest on February 11. Check for details in the contest section.

Our new Contest Coordinator, Steve Addis has researched the possibility of getting mugs for awards at Club functions. I will present details at the meeting, but the bottom line is it will take a commitment from

*(Continued on page 3)*

## Meeting Minutes

President Larry Jolly called the meeting to order at 7:15 pm. The board established the year 2001 contest calendar so that there would be no conflicts with the (SC)<sup>2</sup> contest schedule that will be established in February at the (SC)<sup>2</sup> meeting. Please let Larry Jolly know if you are scheduling an event this year, so that it gets on the schedule before the Feb. (SC)<sup>2</sup> meeting. See page 2 for the tentative schedule.

### 2001 Year end format:

The year end Top pilot awards will be based on your best 8 club contest out of 11 total to be flown this year. The (SC)<sup>2</sup> in July may be used as a rain out date.

Monthly contest awards categories; Expert- Advance- Sportsman- 3 function, (bent-wing)

Steve Addis, (CD) is looking into HSS logo coffee mugs as awards for club contest.

### Field Rules:

Larry Jolly is working on a Park Map with overlays showing launching, flying and land-

## Flying Site

2 Note: The Irvine Ranch Water District neither supports or endorses the cause or activities of Organizations which use the District's meeting rooms that are made available as a public service.

**President's Message** — *Continued from page 1*

the club of about \$1200.00. This will be enough for the next 2 years, and will be more than paid for by income from the club contests. We will vote on it at the meeting so let us know what you think. I will be needing volunteers to help run the March F3J 2 day, and will have a sign-up sheet at the meeting.

If you or some of your friends are flying at the field and have not joined AMA or HSS please remind them to rejoin the club. It is important that we remain a close knit united group, and that we are ever vigilant to keep everyone flying safely at the field. Come out to the MEETING — WE MISS YOU!!!!!!

Larry Jolly

**Vice President's Message**

Hello to all, and a belated Happy New Year. We are at the start of a new flying season and, I hope to see all of you out with your new or your old sail planes at our club contests. Also it would give me great pleasure to see more club members attend our monthly club meetings. Concerning our club meeting I am in need of speakers or entertainment for our monthly meetings. If you know of anyone or if you would like to provide some form of entertainment for any of our club meetings call or send me an e-mail. For our February meeting, I have talked Don Edberg into putting on a show and tell about computer radios and soaring. Hope to see you there. Once again I will provide refreshments, and hold a raffle.

Jim Hanson, HSS Vice President

ing areas for thermal as well as electric planes. This will go in the field bulletin board. Hopefully it will assist those not familiar with our field.

**Equipment:**

Karl Hawley- Dick Pantzer- Steve Hendry  
The committee, please direct any club equipment problems to one of them so we can get it fixed.

Board meeting adjourned: 8:10

Jim Hanson talked on free flight and had several interesting free flight planes with him- Wow very complicated and very sophisticated sport.

The 2001 Guest line will be as good as it was last year. If you missed Larry Jolly running his Jet engine or fly his electric helicopter around the meeting room, then you won't want to miss the line - up for this year- watch the newsletter, and the web site for upcoming guest.

Karl Hawley brought home made Banana nut bread!

Les Kenyon won the raffle and was met at the exit by the IRS.

Larry Jolly borrowed \$1.00 from Les to get in the raffle, and then refused to pay it back after Les won.

**January Contest Results**

The January contest was CD'd by Nich Buzolich. There were 3 flights for 20 minutes 10 point landings, and an additional 10 minute flight. The conditions were good, but just challenging enough to make for some interesting flying. We had a good turnout and brought in \$74.00 for the club treasury.

**Next Meeting**

Tuesday, February 6th. Guest Speaker: Don Edberg. General Meeting starts at 7:30 pm. Officers meeting at 7:00 pm. All are welcome to attend the officers meeting. Meetings are held at Irvine water district, 15600 Sand Canyon Ave., Irvine. See map on pg. 2

**February Contest**

Larry Jolly will host the February Contest. We will fly 3 rounds of 10 minute scored 900- 100. Open flight order and free entry to the first 3 volunteers to put out the winch equipment and return it to the shed. Hope you can all make it.

**Time to Renew Membership**

Good news! HSS has reduced its membership dues by \$5.00. The new cost is \$15.00 for those who help us save money by allowing us to send your newsletter by email.

You can still get a printed newsletter mailed to you by the US Post office. The bad news is you have to pay the old price of \$20.00.

Either way, please use the application at the back of the newsletter and mail it in now.

**Membership Roster**

A current roster is attached to the back of the newsletter. If your information is incorrect, please advise our Treasurer Larry Reed at lreed@mti.com.
