REPORT BY CONTEST COORDINATOR  
Frank Chastler

The first contest for 1985 was held on January 6, 1985. In my 10 years with the Harbor Soaring Society this was the biggest turn out for a monthly contest. We had 4 first time flyers. Considering that we did not get started until 9:30 and we had some problems on two frequencies along with 34 contestants we still finished the flight order by 12:30. I believed everyone really helped in making this one of the best

monthly contest Harbor Soaring Society has ever had. One can see that the Juniors. ( Those under 19 ) are showing the " JACK BENNY'S" how it is done.
